Name: _____

Fact Fluency Homework

Directions: Saturday – Thursday, practice the areas that are highlighted below for a *minimum* of 15 minutes each night or a total of 60 minutes per week. You may use flash cards, online games, or practice with friends/family. This will be due each Friday until your fluency scores are all above 80%.

A place to practice is www.thatquiz.org. Select arithmetic and customize the setting to fit your needs.

Addition_____ % Subtraction _____ % Multiplication_____ % Division_____ %
